- 13:30 End of Day 3

**Poster presentations during the breaks would be an additional option to present your current research and get in discussion with each other besides the presentation sessions. We would like to encourage you to take the opportunity and present your topic!**

## EXPRESS YOUR INTREST

---

Proposals of about max 1-2 pages with a description of your current research work and information about the motivation to participate in this workshop can be submitted by **16 July 2019** to:

**Christin Rinnert** [christin.rinnert@bauing.uni-kl.de](mailto:christin.rinnert@bauing.uni-kl.de)

**Ahsan Ali** [ahsan.ali@bauing.uni-kl.de](mailto:ahsan.ali@bauing.uni-kl.de)

As the number of participants is limited to 15, workshop organisers will select those proposals that are most likely to make a fruitful contribution to the discussions. In case of questions, do not hesitate to contact us!
